We're on a mission to make **100** crochet and knitted hats in **30 days**; all creations we receive will be sent to NHS Neonatal Units. Could you help premature and sick babies by making a hat or two for a great cause?

Woolly hats are awesome because they help to keep babies toasty and warm. The 'Make a Hat for a Premie' campaign is set to launch on Monday 2 April, and will close on 1 May. Please join us and help poorly babies.
